

# Mainsail Reefing

Part numbers represent hardware most commonly used.

## Typical boat length:

Small Boat: 6.7 - 8.5 m (22 - 28')

Midrange: 8.8 - 10.4 m (29 - 34')

Big Boat: 10.7 - 12.8 m (35 - 42')

Diagram Ref.	Description	Small Boat Part No.	Midrange Part No.	Big Boat Part No.
<b>Dual Line</b>				
A	Cheek	2644	6106	3220
B	Single	2650	2600	3215
C	Mastbase block	222	1986	1988
D	Bullseye	339	237	237
<b>Lazy Jacks</b>				
A	Lazy Jack kit	252	253	254

**Dual Line:** This dual-line system is common on boats 9 m (30') and larger. Position blocks so line pulls down and out to keep the sail flat and prevent lateral loads on the luff rope or luff sliders.

**Lazy Jacks:** Lazy Jacks contain mainsails during reefing and dousing. They work exceptionally well with full-battened mains, but are also used with conventional sails.
